

**Scunthorpe & Gainsborough Water Management Board**  
**Environmental Impact Assessment**  
**(Land Drainage Improvement Works) Regulations 1999**

It is the intention of the Scunthorpe & Gainsborough Water Management Board (WMB) to undertake repair works on Ings Drain, Lincolnshire. The works are proposed approximately at SK91089914, between SK92079892 and SK92019894, and between SK91929899 and SK91919914.

Timber piling will be installed (where feasible) at the toe of the bank to provide toe protection against scouring, preventing the loss of ground material.

The Scunthorpe & Gainsborough WMB has determined that the works are not likely to have significant environmental effects and does not intend to prepare a formal Environmental Statement in respect of the proposed improvement works. Any person who wishes to make representations in relation to the likely environmental effects of the proposed improvement works may do so in writing to the address below. All representations must be made within 28 days of this notice.

Natural England has been consulted under the above Regulations.

Dated this 10<sup>th</sup> January 2025.
